(xiv)	Supporting Documents not enclosed along with the Application Form (DoB, EQ, Caste etc) for Selection Post Recruitment

- 3.1.12 The grounds for rejection should be mentioned on top of the application form. In respect of online applications, a printout of the application along with the checklist of rejected candidates should be handed over to the Commission. The DPA will send a Centre-wise list showing rejected applications and the grounds for rejection of the same along with the respective application forms to the Commission for decision on the matter. The corresponding data should be given a rejection tag and on receipt of the status from this Office, care should be taken to either remove or retain the rejection tag as per instructions of the Commission in this regard. Admission Certificate of such candidate should not be dispatched unless and until cleared by the Commission. The DPA should provide a soft copy of list of rejected candidates with remarks to be placed on the Website.
- 3.1.13 Any activity incidental to the above mentioned works shall also be performed by the Agency without any additional cost.

3.2 Data Entry and related work:

- 3.2.1 The DPA will enter the data in Pen Drive/Harddisk as per prescribed data structure. Data entered as per data structure specified by the Commission from time to time must be verified through double entry system and data should be error-free. The Agency shall ensure 100% accuracy of complete database by physical verification from application forms. Double entry of application data shall be done to ensure 100% accuracy in data following error generation techniques. Database structure for offline application should be similar to database structure of online application.
- 3.2.2 After entry of the final data, Allotment of Ticket Numbers (7 digits - from 9000001) to be made in consultation with SSC (KKR) using Psuedo Random Number Generation Technique and the randomized data should be sent to SSC (KKR) in Pen Drive/Harddisk. The Roll Numbers will correspond to the machine numbered Center Code and Index Number whereas the randomized order will be reflected in the Ticket Number. The randomization of Roll Numbers should be confined to the particular Centre i.e. Bangalore, Dharward, Kochi etc. In case of any defect in the Pen drive/Harddisk or in case the information stored on it cannot be read, the DPA will supply at their own cost another Pen drive/Harddisk containing the information. For all examinations, photograph and signature of the candidates have to be scanned/downloaded from the link provided by the Commission properly from the applications submitted by the candidates offline/online and printed clearly on the Admission Certificate (Candidate's Copy) & Admission Certificate (Commissions Copy) ensuring very good quality. Agency will keep SSC (KKR) Copy, Admit Card etc. in safe custody and return the same to SSC (KKR). Misuse of Commission's Copy will lead to termination of contract.
- 3.2.3 The DPA shall carry out integration of online data with data entered manually for further processing to generate Admission Certificates, verify and validate data during various stages of recruitment. The relevant instructions to be followed by DPA during integration of data, storing of scanned photograph and scanned signatures and structure of data to be captured in respect of offline and online applications is detailed in **Annexure – A** or as may be specified by SSC (KKR) from time to time. The Agency shall keep a provision of printing Bar Code on admit card in conformity with Biometric-cum-Bar Code System. Any incidental work required for data integration shall be done by the Agency without any extra cost.
- 3.2.4 Scanning of photographs as well as signature of the candidate of the offline application wherever required should be done clearly (ensuring production of good quality images) and the same should be stored as 'jpg' files. File name should contain actual Roll Number of that particular candidate. The scanned photographs (black & white) should be stored in 8-bit

grayscale JPG format and the digital size of the file must be of resolution 100 pixel width by 120 pixel height to ensure conformity with online data.

- 3.2.5 Similarly scanned signature should be stored in 8-bit grayscale JPG format and the digital size of the file must have resolution 120 pixel width by 60 pixel height. Each photograph and signature of the candidate must be identified through a unique file name which must be the same as the Roll Number of the candidate suffixed with 'p' & 's' respectively.
- 3.2.6 The Agency shall maintain intact record of all scanned data as well as data entered till five years after the declaration of Final result of recruitment process. Agency shall destroy / delete the data only after taking prior approval of Regional Director SSC (KKR).
- 3.2.7 The Agency shall maintain all activities in comprehensive integrated software to make the database searchable. The software may include the role based privileges with users - IDs and passwords of officials and proper track record/ history of these activities and to monitor it and MIS (Management Information System) Reports for effective control on these activities.
- 3.2.8 In case of any dispute, the decision of the Regional Director (KKR) will be final and binding on the Agency

3.3 Requirement for Website

- 3.3.1 The Commission has introduced the facility of interaction with candidates through Commission's and Regional Offices' websites. The address of the website of Karnataka Kerala Regional Office is **www.ssckkr.kar.nic.in**. As the facility for downloading e-Admit Cards by the candidates is one of the important components of the web interaction with candidates, the DPA is required to provide the following details:-
- (i) Database of all applications received with the specified fields including Roll No. in Excel for uploading as acknowledgement information to candidates.
 - (ii) Database of Rejected Candidates due to duplicate application, overage/underage, late receipt, non payment of fees, blurred photo/signature, etc. in registration number order with the specified fields, as **pdf** files for uploading in the website.

Any additional Manual / Data entry / printing / spiral binding work etc., incidental to different Tiers of the same examination has to be considered part and parcel of the examination work and the same has to be completed without claim for extra payment.
- 3.5.3 All applications must be returned to SSC (KKR) as soon as data entry work is completed. The applications are to be arranged neatly and kept in cover files in the space provided by SSC (KKR). The DPA must ensure that no application form is lost / damaged during processing. The DPA will be responsible for safe transportation, custody and return of applications along with enclosures with proper accounting. The applications should not be removed for processing or to any other location outside the premises of the DPA. The DPA shall not outsource or sub-contract all or part of the work to any other individual or organization.
- 3.5.4 In case of online applications, printout of online applications containing complete data, photograph and signature of the candidates will be supplied by the DPA on A4 Sheet with printout of second page of the application on its backside. This printout will be supplied in case of candidates qualified in written exam.
- 3.5.5 After completion of examination, the DPA will be handed over Admission Certificates (Commission's Copy) of each venue. Roll Numbers and Names of candidates who have been indicated as 'Present' in this list will be entered in a separate data base. This data base has to be matched with the original data base of registered candidates generated in pen drive/hard disk at the time of examination and a copy of the database of candidates who were present for the examination has to be handed over to SSC (KKR). It is the responsibility of the Data Processor to come to this Office and collect the Admission Certificates (Commission's Copy) received from all the venues of the concerned examination.
